

Moon 8 ~ Moon of Action

Warrior and Moon and Wind in Action

during our 9 Dragon Moon Realizations year

The Uranus Pluto square is still within 1 degree all this Moon. The revolutionary impulse continues to foment. Actions taken now, and how they're taken, are key as things are about to get very real.

From a place of strength and embodied presence, we live as **Warriors**. Respectfully yet confidently taking action to live what we believe ripens us, so that we may approach the realm of magic.

Mercury goes direct to welcome the only **Moon** wave in this Moon year, which ushers us into the green realm of magic. It's time for Living the Magic! Learn how to be in action from the Moon, changing phases and visiting different starry lovers night to night. Learn to be a Master of Change. The Sun and Moon move into Pisces together, in mystical unison, gentle, calm, and creative for the Chinese Year of the Wood Sheep. When the Moon shows its face with Venus and Mars conjoined in Aries, there's some fiery mystical mating, a union with freedom and independence.

Take in **Wind**, a full breath of spirit and the unseen. Let action be guided by spirit. Use speech and song as magical approaches. Jupiter trines Uranus with Venus and Mars, bringing beneficial surprises, expansive creative possibilities, with radical self-love and independence in relatedness. A sacred sex Full Moon in Virgo?
