

# Moon 2 ~ Moon of Relatedness

## Star Dragon with Wizard Relating

*as Wizard Seeds Wind*

Stars shine, each creatively contributing to the unfolding story, together inviting us to become more fully ourselves through conversational kinship with the vast elegant beauty beyond humanness. This time is not about “having” a relationship. We’re ripened through meeting the challenge of experiencing & living within the magic, within the cosmos, in deep, direct relatedness ~ dancing with the stars.

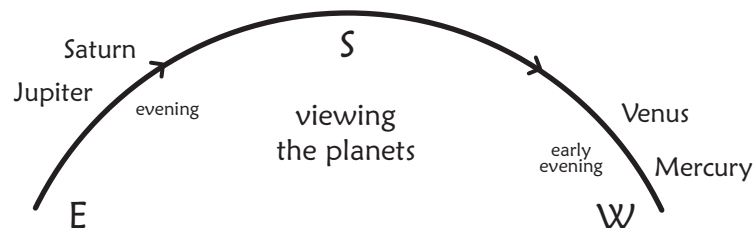

This dance brings a **Dragon** birthing of new relatedness. Relating intimately with all of Life, through all of Time, elemental, visceral remembering becomes our way. During this **new 260-day round of waves**, we’re initiated through the challenge of learning to stay in connection with the All-That-Is, while expressively individuating, embodied by Mars in Virgo opposing Neptune in Pisces.

The velvety, black-bodied New Moon in Virgo worldbridges trine earthy Uranus in Taurus, accompanied by Mars trine Pluto & Venus trine Jupiter. Flowing revolutionary relatedness serves through doing the work of embodied everyday sacredness. Walking and talking what’s ours to do & how brings health to all.

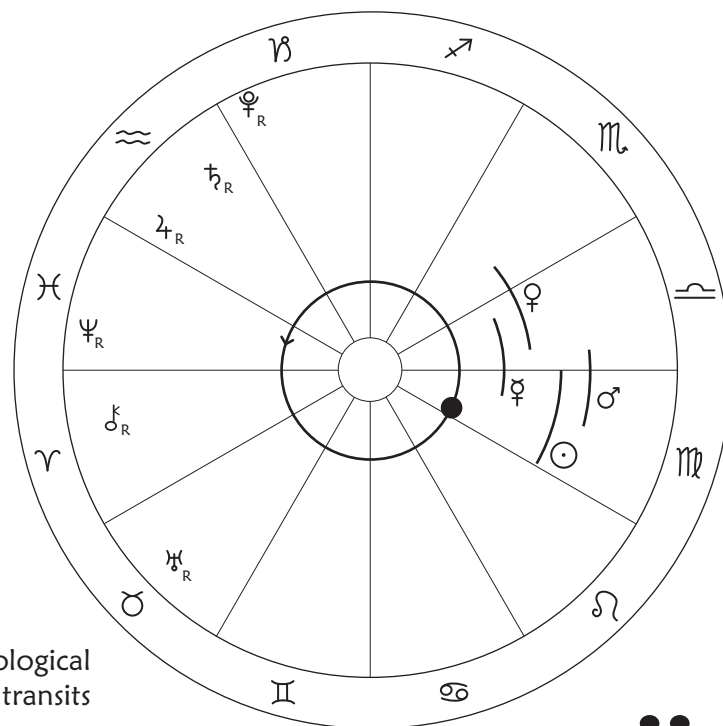

Near the star Spica —the jeweled seed in the hand of the goddess— Moon visits Venus for the 4th vestment, bestowing a heart amulet.

**Wizard** relates by shapeshifting to meet the moment. There are no roles to play nor surety to have; just relating & meeting challenges by continually changing form. Two relating begets motion...
