

# Moon 8 ~ Moon of Action

## **Moon stirs Wind lifting Eagle into Action**

*while Storm Wizard Balancing*

**Moon** waxes to Full in Leo, gloriously, embodying the revelatory, cool reflected light of tidal magic, of eternally active face-changing phases.

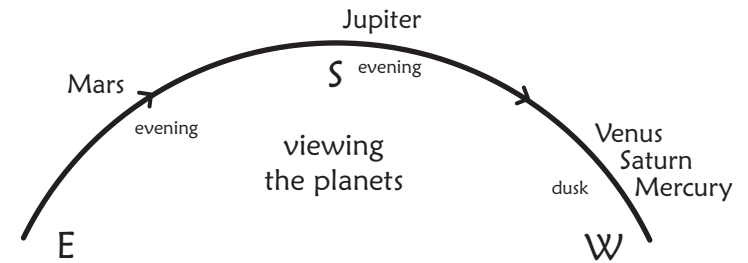

Arising unseen, **Wind** rustles and dances, animating the world. Our breath, words and songs have enhanced magical power in this time of living what we believe. What are you saying with your life?

**Mars goes Direct in Cancer.** What naturally moves us into action, may not be visible, but can be deeply felt. Taking action from this place in our beings can be nourishing, for ourselves, others, and Life.

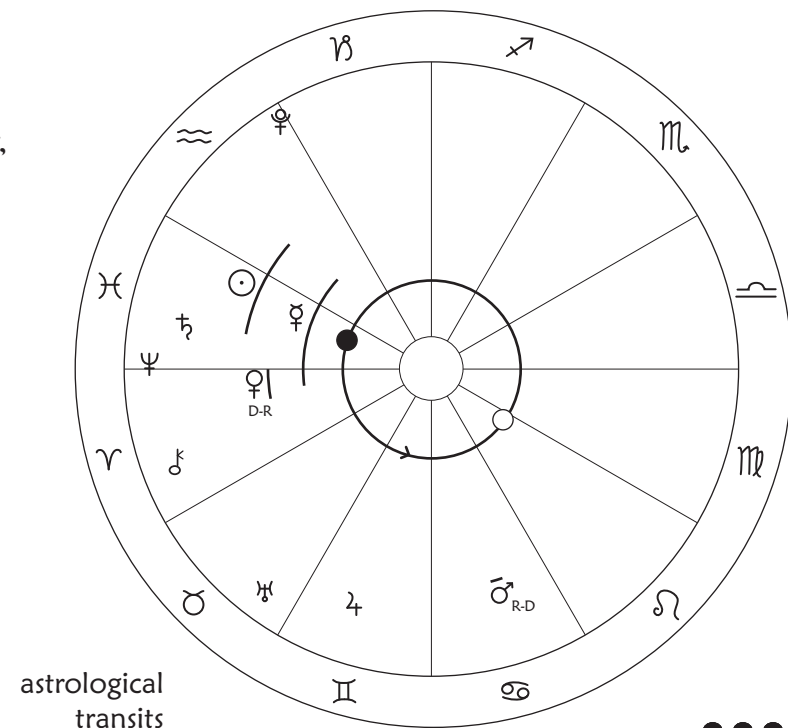

**Eagle** lifts to ride on wind's currents, flying freely, seeing as a way of being, soaring into the vastness. **Dark Moon in Pisces** squares Jupiter, challenging us internally to become waaaay more expansively, creatively, and actively engaged within the unfoldings of storied Universe.

Venus stands tall as Evening Star in the West after sunset. At the very moment of being joined by Waxing Crescent Moon for the 8th, and final, vestment's soul star activation, **Venus turns Retrograde**, and will rapidly descend in the coming weeks, heading toward a full-powered initiatory meeting with Sun. Say your goodbyes.
