

Moon 9 ~ Moon of Realization

Eagle Star Dragon Realizing

while Storm Wizard Balancing

Eagle flies, soaringly, seeing what's up, what's real, perceiving with perspective, as Venus and Mercury come together in the twilight.

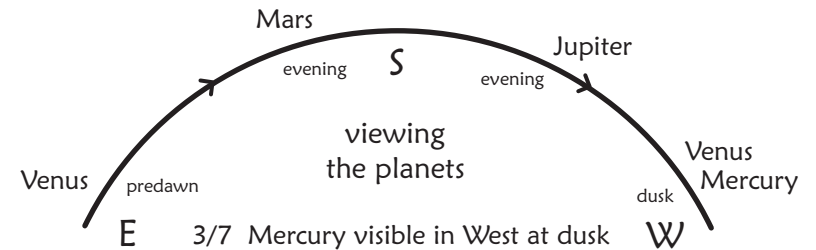

Within these heights of unfathomable depth, **Star** shines subtle generous light, ripening the magic of Living Freely through its ceaseless dance. **Full Moon Total Lunar Eclipse in Virgo** trine Uranus and Sun with Saturn, visible in the Americas, embodies felt sense in service to spirit, on the daily. Time and Timing are ripening us into realness through the magic of living in Universe.

Mercury in Aries turns Retrograde heading back for another look around in the Universe. **Spring Equinox ~ Sun in Aries inseminates Venus**, seeding a new cycle. Mercury comes by too.

Living Freely, we arrive right here, as **Dragon** births *New Realities*, new experiences of realness, thru the coming 260-day round of waves. Morning Star Venus retrogrades into Pisces, conjuncting Neptune, as does Mercury. Moon joins them, initiating a new 584-day Venus Pisces/Aries cycle. **Dark Moon in Aries Partial Solar Eclipse** offers growthful renewal of vital life force energy.

Neptune moves into Aries, emerging from, while continuing to be within, accompanied by personal planet escorts. What is real?!
