

Moon 13 ~ Moon of Freedom

Warrior Moon rides Wind Freely

as **Seed Mirrors Attuningly** toward an 8 Moon in Wind yr

A cosmic gateway opens as ripening **Warrior** strolls under the light of **Full Moon in Capricorn**, embodied presence maturely selfing in freedom, as **Mercury Retrogrades** in Cancer to stay home, and **Jupiter moves into Leo** for a year of expansively creative I Am ness. **Jupiter squares Chiron**, spurring pleasurable selfing and **Mars conjuncts Uranus**, embodying lively Field activations.

Moon initiates thru cyclic magic, the rhythms of selfhood lived freely. **New Moon in Cancer** with Mercury converses caringly. Crescent Moon with Venus confers a 5th vestment throat chakra necklace of expression. Uranus' timely sparklings activate the Field.

Magic expresses selfhood through the refining breath of **Wind**, speech of the unseen, song of freedom. Journeying Jupiter dances with the beyond, expansively joining the Field, with enthusiasm.

The **Day Out of Time** arrives on a 7 Star day in the Wind wave. This day offers the possibility of attuning to the stars, to the elegant dancing Universe, singing with the breath of spirit.
