

# Moon 7 ~ Moon of Attunement

## **Hand lifts Sun toward Skywalker Attuning as Seed Mirrors Attuningly**

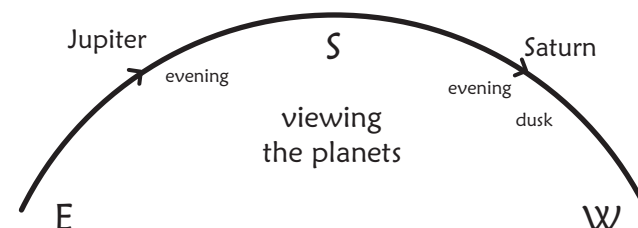

High upon the 7th Moon mountain peak of this 7 Attuning year, **Hand**, the 7th sign, reaches for and touches spirited Sky, transforming our experience of selfhood through embodied resonance crafting a life. Brilliant benefic of belongingness Jupiter in Cancer rises as Sun sets, shining all through the nights, bestowingly. Attune to being at home, familial and ancestored.

**Sun**, joined by **New Moon in Capricorn** conjunct Mars and Mercury, in touch with the Field, matures our personhood thru gradual realness. Sun, and more, ripening the subtle warmth of the light we shine, harmoniously, move together into hummily vibrational Aquarius, as the personal planets gather to be dosed by Pluto's intensely transformational potency.

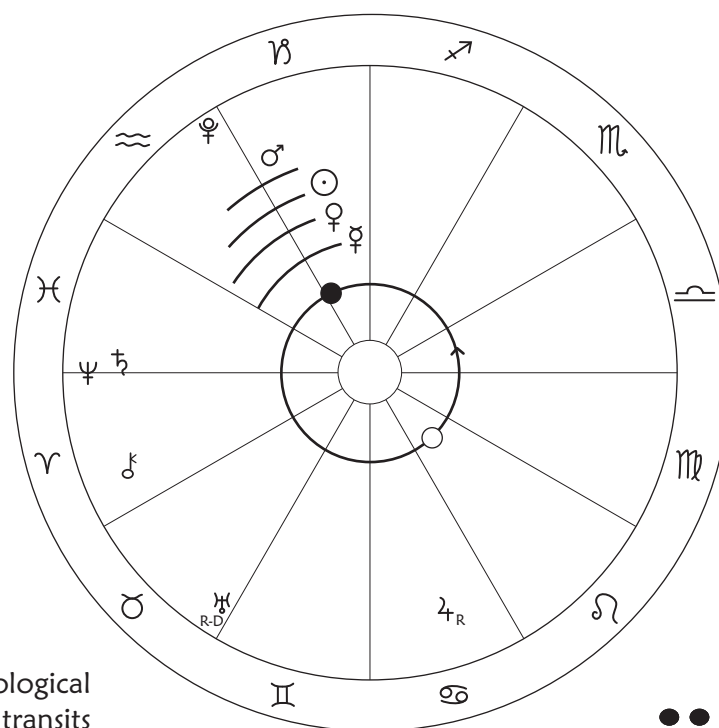

**Saturn in Pisces** sextiles **Uranus in Taurus** really revolutionizing deep embodiment of Universe. **Neptune returns to Aries** emergently storying Universe as the humming Field of Aliveness.

**Skywalker** journeys dimensionally, selfhood being refined thru attuning while moving freely amidst, and as, the Field, as **Full Moon in Leo** warms the night with enthusiasm for Life.
